

Payment to be made IN FULL for all credited firearms within fifteen (15) days upon completion of the project. Projected completion time is eight (8) six (6) hour days.

Village Gun Shop Inc./Village Vault has been in business for over 30 years. We are federally and state licensed, bonded and fully insured in compliance with MGL c 140, Sec. 129D.

For non-evidentiary firearms being stored: Owners of Firearms are notified via certified mail that their firearms are being stored here. They are sent a notification letter with our terms and fees and a formal inventory including make, model, serial number and the condition of each firearm and accessory. Owners are billed out monthly. If unpaid after approximately 100 days, Owners are sent Default notices (via certified mail) with approximately 21 days to get their accounts paid up to date. Any accounts still in default: Firearms and accessories are then sent to a public auction house for public auction. Settlement letters would be sent listing the sale price of the firearms, auction fees, and any balance due. Any proceeds (after the auctions fees and storage fees) would be paid to the Owner of Record.
